

School of Computing and Mathematics

Assignment CD Inlay

NOTES

1. Students are requested to complete **all** details on both portions **prior** to submission at 16E30 to enable a speedy service.
2. It is your responsibility to ensure that **ALL** course work is submitted on time to the specified location. You must keep copies of all work submitted. You are advised to keep your receipt safe – it is required in the event of any query concerning this Assignment.
3. You should label your CD using a permanent marker with your name, student number, the module code, assignment number and date.
4. You should cut out the inlay below along the dotted lines and insert into your CD case as shown below.
